

SALVIN® + Preat®

PreatLoc™ Catalog

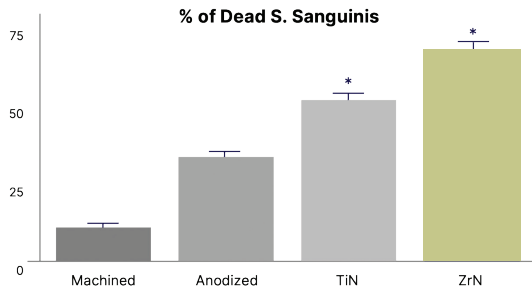

SYSTEM OVERVIEW

PreatLoc™ is a complete overdenture attachment system designed for reliable performance and seamless integration.

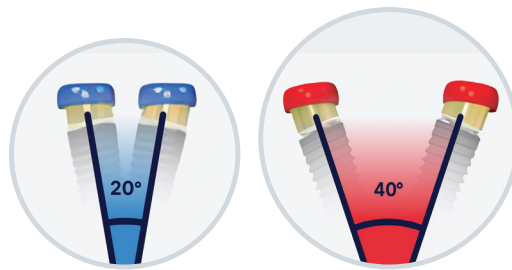

Tissue-Friendly ZrN Coating

- Biocompatible surface with reduced plaque adhesion¹²
- Has shown greater bacterial resistance than TiN²

Reliable Retention

- Standard pivot inserts accommodate up to 20° divergence
- Extended pivot inserts for up to 40° divergence
- Demonstrated reliable and long-lasting performance³

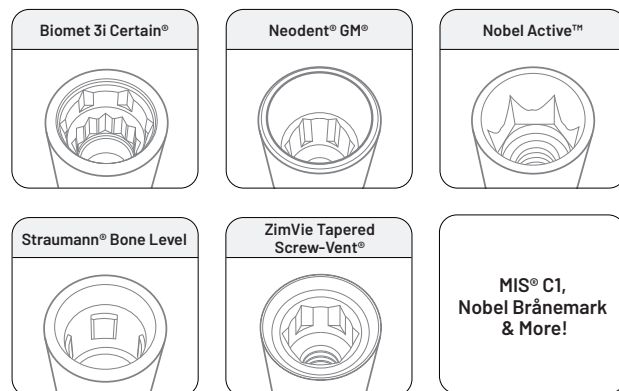

Anodized Aesthetic Denture Cap

- Enhances aesthetics in thin acrylic for an improved appearance without compromising prosthesis contours

Highly Compatible. Zero Learning Curve

- Compatible with the leading overdenture attachment system
- Compatible with all major implant systems, including NobelActive™, Straumann® Bone Level, ZimVie Tapered Screw-Vent® and more.

1. Chih-Ho Lai a, Yin-Yu Chang b,*, Heng-Li Huang c, Ho-Yi Kao Characterization and antibacterial performance of ZrCN/amorphous carbon coatings deposited on titanium implants Available online 25 June 2011

SPECIFICATIONS

PreatLoc™ Retention Inserts

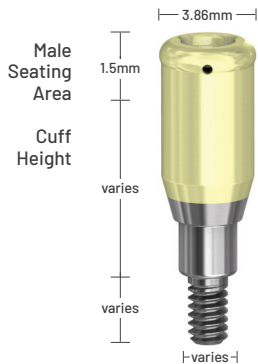

<p>Standard Pivot with Dual Retention For use with two or more abutments. Accommodates up to 20° divergence.</p> 			<p>Try-In For denture try-ins and protection. Not for long-term use.</p>	<p>Extended Range For use when divergence is greater than 20°. Accommodates up to 40° divergence.</p> 		
						
clear strong retention 5 lbs*	pink medium retention 3 lbs*	blue light retention 1.5 lbs*	gray zero retention 0 lbs	red light retention 1 lb*	orange medium retention 2 lbs*	green strong retention 4 lbs*

The selection of the retention insert depends on the individually desired strength of the anchorage or retention.

Always start with the inserts with the least retention!

Dimensional Specifications: Abutment and Denture Cap

PREATLOC™ ABUTMENTS

PRECISION. PARTNERSHIP. POSSIBILITY.

For 45 years, Preat has delivered trusted, innovative implant prosthetic solutions for dental professionals – and we’re proud to bring their state-of-the-art products directly to you. With the Salvin + Preat partnership, we make it easier than ever to simplify your implant restoration workflows, improve outcomes and deliver smiles.

Why We Love Working with Preat:

- Industry-leading compatibility across implant systems
- Proven attachment and restorative solutions
- Exceptional technical support and education

A Shared Commitment

As a partner and sister company to Salvin, Preat shares the same dedication to quality, service, and advancing dental innovation. Together, we help you keep patients smiling longer!

Expert Support

With a commitment to help improve your surgical outcomes, our team will support you throughout the entire process.

2 Year Warranty

PreatLoc™ products are covered by a two-year defect-free warranty and match all OEM implant warranty terms.

Quality Assurance

All Preat products are tested to the highest standards.
